

## Housekeeping Manager Benefits include:

- **Efficient housekeeping scheduling** and monitoring for management
- **Easy to use mobile access** for Housekeepers
- A slick **'Make Up My Room' button for guests** using iPortal
- **Streamlined automation** of tasks awaiting allocation to a housekeeper
- **Optimised workforce** with efficient allocation of jobs with status shown in real-time
- Direct and **seamless communication** between housekeeping management (using the acclaimed Dashboard), and staff (using a tablet or mobile phone)
- **Prioritise operations** by activating priority status and elevate VIP or urgent tasks for specific guests and rooms
- **Maximise productivity** and track cleaning status, staff performance and pending tasks in real-time
- **Personalise the guest experience** by honouring requests such as 'Do Not Disturb' or fulfil 'Make Up Room' requests promptly
- **Integrate to your PMS** for real-time room status, or use stand-alone without PMS connectivity

## Where Technology Meets Hospitality

For seamless housekeeping in a modern age

Housekeeper's view of daily tasks

## Housekeeping Staff Benefits include:

- **Easy to use** - housekeeper log-in with a scan of a QR code using a mobile phone or tablet for housekeeping staff
- **Intuitive design** of the mobile view ensures that housekeepers navigate and use the system with minimal training
- **Simple task descriptions** and instructions reduce uncertainty and errors

iReadyRooms enhances operational efficiency, communication, and guest satisfaction. It provides significant benefits for the hotel, staff and guests by streamlining processes, improving service delivery, and offering a more personalised and convenient guest experience.
